Baby Changing Stations

"5-Year Warranty"

Changing stations are made from durable, easy to clean, high density polyethylene which is inherently bacterial resistant. Clean design fits virtually all decors and is excellent for cost conscious customers. All models are ADA compliant when properly installed and include built-in liner dispensers, mounting hardware, safety strap, and buckle. EZ Mount™ Backer Plate optional.

* Polyethylene Changing Table – Horizontal Surface Mount

- The horizontal polyethylene is our best selling changing station and is an industry standard as the most preferred changing position.
- Required mounting surface 16" high by 34.25" wide.
- Changing surface extends 17.5" from wall in open position.

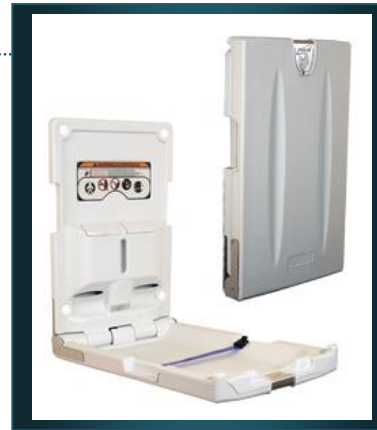

Item No.	Color	Dimensions	Capacity	Case Ct.
AY10000	White	34 1/4" x 17 1/2" x 15 3/8"	---	1

* Polyethylene Changing Table – Vertical Surface Mount

- Offering a narrower footprint, the vertical model allows for mounting in smaller spaces.
- Required mounting surface 34" high by 19" wide.
- Changing surface extends 34" from wall in open position.

Item No.	Color	Dimensions	Capacity	Case Ct.
AY11000	White	15 3/8" x 17 1/2" x 34 1/4"	---	1

E-Z Mount™ Backer Plate

- Exclusive EZ Mount™ Backer Plate reduces installation time and enables unit to be attached to wall with only one installer, thus reducing installation time and costs.
- Simply level and mount backer plate, hang the changing station in place, and attach permanent fasteners.
- Also facilitates difficult and retrofit installations by eliminating the need for structural blocking and ensuring connection with two studs.
- EZ Mount Backer Plate is optional; please specify when ordering.

Silk Screening

Print your Logo, Message, or Artwork on all your Jofel Dispensers!

Benefits of our Silk Screening Service:

First and Foremost: There's "No Additional Cost for Private Labeling"...
Minimum order requirement for private labeling is 100 units (of either the same product or mix and match).

Get What you Need & Want...

Any Pantone Solid Color or PMS Color can be used so that we can match your company colors! Your design is your design. Tell us what you want and we will put it on your dispensers.

We Can Print Up to Two Colors...

Is your logo made up of a couple of different colors, that's no problem! We can print any logo (up to two colors) on any dispenser.

Professionalism...

We have silk screened an extremely large variety of logos & artwork on our dispensers per our customer's specifications. Some limitations apply due to the nature of the medium, but we provide extremely high quality silk screening. Bottom line: A professional looking product.

Trust Our Experience...

We private label thousands of dispensers for hundreds of companies each year! Some of our customers are very demanding...but so are we! You will love the way your dispensers look - we guarantee it!

Silk Screen Set-Up Costs:

Zero Set-Up Fees....

Jofel USA waives all set-up fees with your minimum order of 100 units.

Saving\$

Silk Screen Printing Set-Up Instructions:

Artwork Information & Requirements....

Print size: Varies from dispenser to dispenser (from 1/2"h x 1 1/8"w to a larger 3/4"h x 2 1/2"w)

Requirements:

(1) **Logo artwork or exact information of what will be silk screened onto the dispenser.**
Note: The condition of the artwork used has the greatest impact on the quality of the final product. Receiving unusable artwork with the order is the main reason for delays. Electronic artwork needs to have been created in a format which we can manipulate in order to resize or modify if needed to provide the best imprint on the dispenser.

(2) **PMS or Pantone number of the color (limit of two colors).**
Note: The majority of the dispensers ordered are in transparent smoke. If you prefer your logo in white versus in color, please forward your artwork to Jofel USA in black. We cannot use process colors, gradients, or halftones (Solid Colors only).

(3) Please e-mail artwork to: gloria@jofelusa.com

Delivery Time....

Delivery time for the first private label order is approximately four to five weeks. Time is necessary to prepare the plate and get sample approved. Delivery time for additional private label orders is two to three weeks.

Submit your artwork early
