INNOVATION WOVEN THROUGHOUT

Our high performance poly-cotton fabrics outperform the competition.

moisture management - Chef-tex is comprised of nano fibers that are 1/100th the size of a human hair and act as a shield around the main fiber to help Chef-tex dry 33% faster than the competition.

comfort - This 6.75 oz. fabric is smooth and luxurious as a result of a patented technology to ensure the softness is permanent and consistent, even after multiple washings.

stain release - The fabric handles the toughest kitchen stains. Our patented process, directly applied to the fiber, prevents spreading and re-disposition in the wash. This is not a topical additive, which typically washes off; instead, this stain release performs throughout the life of the garment.

color retention - These fabrics hold their color through the life cycle of the product, even in whites. Our deep dye technology resists fading from sunlight, washings and oxidation.

shape retention - This fabric holds its form better and longer than fabrics used in comparable products, leading to a wrinkle resistant, longer lasting jacket.

Chef-tex Breeze - Offers all the attributes of Chef-tex, but is 20% lighter in weight. It's the perfect choice to keep you cool when the heat is on.

Limited Warranty – San Jamar warrants to the original purchaser of each new product of its manufacture for a period of one (1) year from the date of shipment, (or if shorter, the period of the product's normal useful life) that all parts shall be free from defects in material and workmanship under normal use and service.

The warranties defined herein shall not apply to any damage or defects created or arising from accident, misapplication, abuse, misuse, neglect, alteration, acts of God, vandalism, flood, fire or any other occurrences beyond the control of San Jamar.

Claims under the forgoing warranty will be honored only if San Jamar (i) has received the entire payment of the purchase price for the product with respect to which any such claim is made (ii) has received notification of the claim prior to the expiration of the one (1) year (or shorter) warranty period described above, and (iii) determines upon examination of the returned product that it is defective under the terms of such warranty.

San Jamar's sole obligation under the forgoing warranty and other claims related to any product shall be limited to, at San Jamar's option (i) repairing or (ii) replacing F.O.B. factory or any product which San Jamar determines is defective under the terms of such warranty.

THE FOREGOING WARRANTY AND REMEDIES ARE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTIES AND REMEDIES WHATSOEVER, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE, ALL OF WHICH SAN JAMAR HEREBY EXPRESSLY DISCLAIMS.
