

sct green initiative

Southern Champion Tray, LP

the complete package

the principles that have shaped Southern Champion Tray and our products for over 80 years still hold fast today. The SCT Green Initiative is focused on improving our internal environmental performance, while providing the resources, products, and support you need to meet today's green packaging requirements. Our specific goals are:

- To offer environmentally responsible packaging solutions
- To provide resources on green packaging topics and materials
- To improve our internal environmental performance in measurable ways.

Custom Printing (Stock Box)

Southern Champion Tray offers over 400 bakery and foodservice packaging items in our stock products line. Almost all of the stock items can be customized by printing your company name, logo, design or color. Our 80 years of experience, coupled with state-of-the-art equipment, produce some of the best printing available in the industry today. This is a simple and more cost-efficient way to build your brand.

Custom Box Design & Printing

Our cutting edge printing technologies and award-winning structural designs are key elements in developing the exceptional packaging you require. We are fully equipped to take your project from concept to finished product. Our mission is to do it all with consistent quality and service, utilizing cost-saving strategies to deliver the best value possible. Whether it's a standard paperboard folding carton or a unique Point-of-Purchase display, we can design the box and graphics to create an impact and meet the needs of your product.
