

WET WAX PAPERS

MICA

Mica is a 30 pound (49 GSM) bleached kraft sheet. It is wet waxed with 9 pounds (14.6 GSM) of a special formula to bring the final product to a 39 pound (63.5 GSM) basis weight. Mica has excellent moisture protection and less surface wax than Delwrap.

Like Delwrap, Mica is used for sandwiches, vegetables, poultry, fish, steaks, and meat. Mica is also used extensively in the meat industry as an interleaving sheet. Some special uses for Mica include packaging liners, inserts, and parts wrap. It is also used in the ink manufacturing industry as a mix sheet for color development formulas.

- Felt tip/Sharpie®, and Tape friendly.

Stock Sizes

Rolls: 12", 15", 18" @ 1,200 linear feet

Mica can be ordered to any customer's specifications with minimums required. Mica can also be printed in up to six colors.

Product No.	Size	Pack	Weight	Cube	Units/Skid	UPC
